ARCTIK® ULUF 450-2M

true cooling specialists

HIGHLY RELIABLE ULTRA LOW TEMPERATURE FREEZER

The ULUF 450-2M Ultra low temperature freezer comes with single cooling technology that offers direct cooling and excellent cooling performance.

▶ RELIABLE FREEZING

The single compressor technology provides reliable low temperature freezing and high temperature uniformity.

With the unique single compressor technology the freezer can reach -86 °C with only one compressor. This is made possible through our special dimensions of the cooling system and our patented refrigerant.

With direct cooling of each compartment you achieve maximum uniformity and minimum recovery time.

▶ WORKING ENVIROMENT

By placing the compressor and other heat and noise generating components on the top of the unit the heat is distributed up- and backwards preventing the heat from warming up the entire room.

This design also means that there is never a compartment that you will have difficulties overlooking or using fully. Ensuring a ergonomically correct unit which is easy and pleasant to use.

FILTERLESS CONSTRUCTION

Our filterless construction makes cleaning unnecessary. The evaporator coils are spaced so far apart that dust will not be trapped and obstruct the airflow.

With our compressors located on the top, the dust intake is minimal this eliminating the need for filters entirely, saving you maintenance time and cost.

SINGLE COMPRESSOR SYSTEM

DIRECT COOLING

FILTERLESS CONSTRUCTION

The user friendly G214 controller is standard for the ULUF 450-2M. It includes different alrams as visual, acoustic, open door and more.

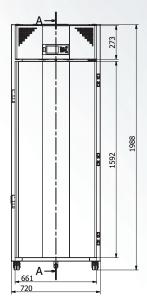

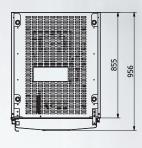

Insulated inner door for better recovery time after door openings and optimal temperature stability.

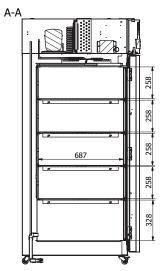

Key lock is a standard feature in our ULUF 450-2M. Placed on side of door for optimal security for your samples.

The ARCTIKO ULUF 450-2M model supports following optional features:

- Modbus adaptor for G214 controller
- Temperature chart recorder
- CO₂ back-up system
- GSM alarm module
- Voltage converter
- Voltage stabilizer
- Racks & Boxes
- Cryo gloves
